Carefree Dealer Store and Accessories Guide

Earn More Profits with Carefree's in-store display system

A one-stop system for virtually every replacement part, upgrade or accessory that your customer could need.

Being a Carefree Authorized Dealer

You gain so much with so little effort by becoming an Authorized Carefree Dealer Store. First, you gain a preferred listing on Carefree's web site carefreeofcolorado.com. Once you are an Authorized Dealer you can easily place orders and access additional customer support systems such as e-carefree.com. You'll also be able to download and view parts catalogs and product diagrams. You can track orders, submit and track warranty claims and are eligible for money saving exclusive offers. See your Carefree representative about becoming an Authorized Carefree Store.

A full line of parts, upgrades and accessories

Carefree has developed a full line of retail packaged parts, upgrades and accessories, all beautifully done in full color clamshell packaging, full color boxes or retail friendly display bags that double as storage.

Carefree can provide your store with a complete one-stop retail display system with signage, P.O.P. displays and product demos. They look great and sell product. This system can be customized to fit your store and your customer's needs. This integrated system is concisely branded and sharply themed to make your store look great. You can expect to earn 30-40% margin on these retail package goods.

Blockers

SunBlocker™

Don't put up with the heat and glare of early morning or late afternoon sun.

The SunBlocker's weather resistant, see through, open-weave fabric cuts almost 85% of the light to keep your customers cool and comfortable—but it doesn't block their view! SunBlocker's fabric construction is a woven 100% polyester with a durable vinyl coating. It slips quickly and easily into the open slot on most awning roller tubes. SunBlockers come in a convenient carry and storage bag. All stakes and cords included.

Awning Rooms

Vacation'r Room™

Fits traditional and 12V awnings with vertical arms

The Vacation'r is made of tough, lightweight material. It's easy to carry, store and quick to set up. It comes with a convenient storage bag.

No drilling or dealer installation required!

There are no poles, rafters or permanent fasteners to attach to your coach. The Vacation'r's innovative design works seamlessly on awnings with a rain-dump feature. This high quality, lightweight room is designed to fit nearly all traditional and 12 Volt patio awnings with an 8' extension. The door can be installed on the left or right. Includes a one piece vinyl skirt.

Side panels attach to the rail slot and roller tube.

A tight seal all around helps keep out water and bugs.

Exterior multi-position privacy panels help keep out rain.

Toggle-style attachments secure multiple setting privacy panels.

Comes with stakes, skirting and a wheel well filler.

Zippered insert slides easily into the extra slot on the roller tube.

Awning Rooms

Buena Vista Room™

Fits Carefree Campout and Freedom awnings from 3–5 meters and traditional and 12V awnings with vertical arms from 10'–21'

It's lightweight, convenient and easy to set up. Nearly doubles your living space! Just attach it to your awning, and you're done!

No drilling or dealer installation required!

The Buena Vista's support rafters keeps both a taut canopy and the room sealed up tight.

The ends of the Buena Vista lock up tight against the vehicle and the roller without drilling or permanent mounts.

The Buena Vista packs up small but opens up big.

The Buena Vista increases living space and allows enjoyment of the outdoors.

The Buena Vista retail display

Make carrying Buena Vistas in your store a snap with this easy to use system.

See page 12 for details.

Setting up the Buena Vista is quick and easy. The door can be mounted on the left or right side, and there's an easy to use wall seal. It takes less than 15 minutes to set up.

It's perfect for picnics and relaxation. When you're ready to hit the road again, it goes back into a convenient storage bag. There's an extension panel for odd-sized rooms.

Features include ground stakes and skirting. Clear weather-view zippered panels on the outside keep rain out, and the zippered panels on the inside are for privacy. Includes a one piece skirt.
