

WARRANTY REPLACEMENT PARTS

Service

Approved warranty claim replacement part(s) are supplied at no charge. Warranty replacement parts are shipped from Carefree freight prepaid.

If an approved warranty repair is made using parts from your stock or from your Distributor, Carefree will ship a replacement part at no charge, freight prepaid, to put back into your inventory. No credits or payments will be issued.

- Only authentic Carefree replacement parts are to be used in the repair of an in-warranty product.
- Any authentic Carefree part replaced under warranty will carry the remainder of the original product warranty.

Warranty replacement of a complete product requires Carefree pre-approval. If approved, Carefree will provide the product, freight prepaid.

For any questions related to warranty claims processing please contact Carefree.
