

APRIL 28, 2011

OMEGA I & OMEGA II PARTS AVAILABILITY

PLEASE FORWARD TO:

Dealer Service

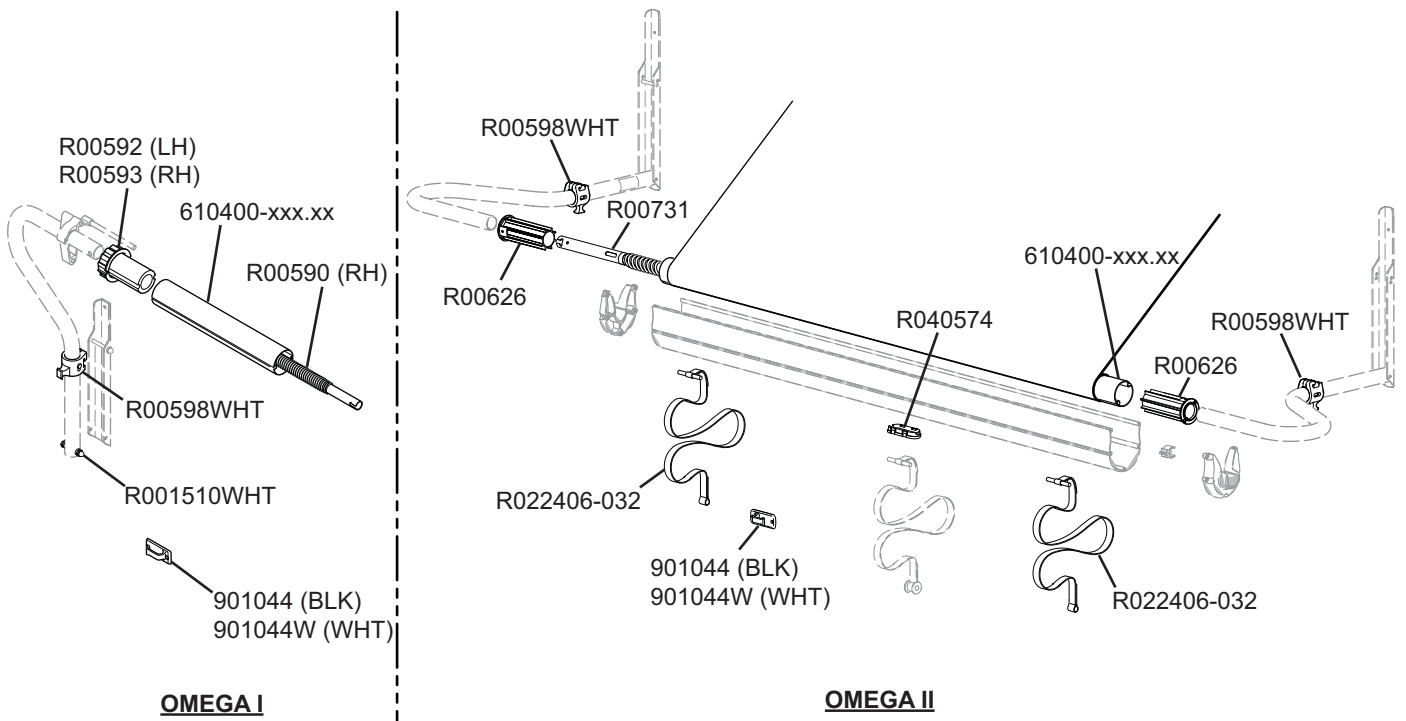

- SERVICE MANAGER
- WARRANTY MANAGER
- PARTS MANAGER

As of April 28, 2011 arm sets for the Omega I and Omega II are not available; factory stock has been depleted. Distributors may still have stock of the arm set (VB0551) - please check with your distributor for availability.

For warranty claims, please contact Carefree customer service.

The illustration below shows parts still available for the Omega I and Omega II. Available components are only offered in white.

Fabric replacements are still available.

Components in GRAY are no longer available.
